The Pure Presley tribute act will again feature at the Cricket Club. Paul (Larcombe) gained widespread praise when he performed at our 150th anniversary from both guests and those who were standing outside the marquee listening! There has been very strong demand to book him again after his last performance, so we are pleased to confirm the details.

Just to highlight the quality of his act, he's performed solo for the Queen and Royal family on 3 occasions and he is rated in the top 10 Elvis tribute acts in the world by Elvis Presley Enterprises USA. His website contains more details and a video.

Around half of the ticket allocation has already been reserved prior to any advertising, so please confirm your places as the remainder will sell out quickly. All guests will be seated and a table plan will be displayed on the night.

Tickets are priced at £15 each (adults only) and available in advance by contacting Roger Parker on 07811 211613. Carr's pies and pasties will be available to purchase on the night.
