- 1 Leave the Old School, heading down Brandlesholme Road as far as Nabbs Way (an unmade road on the left). Cross Brandlesholme Road and take the footpath opposite.
- 2 At the end of the footpath, where it meets a lane (Shepherds Lane), turn right to Tower Court
- 3 Turn left in front of the tower.
- 4 Where the track forks, take the left track, over the stream and carry straight on, with the stream down to your left.
- 5 Pass a small lodge on your right and a large one on your left.
- 6 Keep on the main track, passing a large field with electricity poles on your right, until you reach a fork with a wide cobbled path down to the left. Turn left and go down the cobbled track.
- 7 Keep straight on, crossing the bridge over the stream.
- 8 Go past the cottages on your left, through the gate and past the kennels on your left. Go past the Greenmount Wild Bird Hospital on your right.

- 14 Follow the old railway line, over the vehicle turning point just past Tottington High School and up to, but not under, the old railway bridge.
- 15 Turn left, up the footpath before the bridge, to the road.
- 16 Cross the road to a high, curved, stone wall and follow the footpath on the right of this wall up to the car park of the Robin Hood public house in Tottington.
- 17 In the far right corner of the car park, behind the Co-operative store, there used to be a footpath leading through the graveyard of St. Anne's Church, from which you could turn left, up some steps, to the road in front of the church. This path was never a public right of way and has been fenced off. It is now necessary to make your way out of the car park by way of the entrance/exit road by the side of the public house.
- 18 On reaching the main road, turn right in front of the public house and follow the road to the junction with Chapel Street. Turn right down Chapel Street.
- 19 Follow the road round the bend until you reach Stormer Hill Fold on the right. Turn right down Stormer Hill Fold.
- 20 You will see some stone garages ahead of you. The footpath passes between them, through a stile and across a field to another stile where the path reaches an unmade road, Mill Lane.
- 21 Turn left along Mill Lane. The Lane ends at the industrial site and a narrow path ahead, between fencing, takes you towards the viaduct over Island Lodge.
- 22 As you approach the viaduct, there is a path to the left. Turn left up this path back onto the old railway line and turn left, following the line back to the end, where it meets Brandlesholme Road.
- 23 Cross Brandlesholme Road and turn left to reach your starting point, Greenmount Old School
