

12<sup>th</sup> October 2020

Dear Resident,

**RE: LIGHT UP A LIFE 2020**

Bury Hospice's annual remembrance service entitled 'Light up a Life' is an important and greatly valued moment in the hospice's calendar.

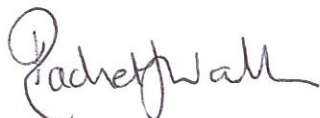

'Light up a Life' takes place during the festive season, bringing our community together to remember, reflect and celebrate the lives of loved ones, and those who have touched our lives during this year. An important part of the afternoon is the opportunity to remember the person close to your heart by lighting a candle and recording their name in our book of online memories – which is new this year, and in place following the service, remaining a constant feature on our website so people can refer to the book whenever they feel like it.

This year we would like to extend the invitation to all residents from across the borough as Bury Hospice reaches out to encourage as many people as possible to join us for this service at the end of what has been a very challenging year. We are here to serve the needs of all of our community, across the six townships of the borough of Bury and beyond.

Please consider joining us in December at our 'Light up a Life' event which is a celebration of the memories of those most precious to us. Everyone who would like to experience our Light up a Life event can do so by joining us online from within your own home (as we are providing Light up a Life packs) on Sunday 6<sup>th</sup> of December at 3pm. You can find out more information by visiting the Bury Hospice website at: [www.buryhospice.org.uk](http://www.buryhospice.org.uk) and downloading the 'Light up a Life' form.

We look forward to you sharing this year's Light up a Life event with us – we could not do what we do without you.

Yours sincerely,

Rachel Wallace  
Head of Marketing, Communications and Fundraising
