

Please enjoy walking round our Advent windows, we hope they will brighten these difficult and dark days.

As the windows are lit each evening we hope you find in them a message of hope and love brightening up the village, reminding us of the joy of Christmas.

We hope you will not only enjoy looking at the windows but that you will be inspired to decorate your own window so that across Greenmount we celebrate this Christmas together with light and joy.

 As you walk around, look for the Angel in each of the numbered windows and find the letter attached.

Write each letter in these spaces to make a seasonal greeting.
