

OUTDOOR ACTIVITIES OVER THE CHRISTMAS PERIOD

CRACKER THE ALPACA TRAIL

Many thanks to all who entered **Cracker the Alpaca Christmas Trail**.

Well done everyone, all entries were correct making a draw necessary. Winners have received prizes including a certificate. Many thanks to David Beasley, the author of Cracker the Fearless Alpaca for donating and presenting the prizes.

First prize **Ruby Coulson** and Second prize **Elliot Tuzylak**.

(Certificate for others can be downloaded from the website www.westpennineway.org)

It is most regrettable that we were unable to complete the Christmas Stone Treasure Hunt, despite notices asking for stones not to be moved, people are so use to Rammy Rocks and seem to automatically move any which were left. Thanks to all who left them and hopefully they have brightened up someone's day.

VILLAGE TRAIL AND QUIZ

The outright winner (with 24/25) was Sophie T (age 9).

There were 4 entries with a score of 23/25. A draw from these 4 resulted in the Clow family being awarded the second prize.
